

Ref #	Application Name	Description	Vendor Name	Maintenance FTEs - state Employee(s)	Maintenance FTEs - contractor(s)	Organizational Level 1	Organizational Level 2	Organizational Level 3
2		Visual training and assessment technology for prospective drivers with visual impairments		2	0	Education and the Arts	Rehabilitation Services	Drivers Ed
4		a series of .asp programs (about 100) that perform various functions related to inmate management in 10 regional jails and central office.		1	0	Military Affairs and Public Safety	Regional Jail Authority	Regional Jail Authority
5	Calibrations	Calibrations database		0	0	Commerce	Division of Labor	Weights & Measures
6	10-10-10 Fund Management System	Manage applications submitted in accordance with SB-337, acquire and pre ownership database, perform monthly calculation in cooperation with WV State Treasurer's Office, provide FOIA data as required		1	0	Revenue	Racing	
7	103 Procurement	Supports Purchasing Within the Department using Standardized Input		1	0	Revenue	Tax	
8	30G Tariff Tracking System	Tracks 30G Tariff cases - Telephone cases.		3	0	Public Service Commission		
9	5310 Grant Program	For Business Processes relating to the 5310 Grant Program. Monthly reporting is required by organizations receiving assistance. This is compiled in an access database. The 5310 Grant program provide assistance for the purchase of accessible vehicles or communication equipment to be used in transporting elderly persons and persons with disabilities.		0.01	0	Transportation	Division of Public Transit	
10	AASHTO LRFD	Used to provide bridge engineers with the AASHTO database of bridge elements		0.01	0	Transportation	Division of Highways	ENGINEERING DIVISION
11	Account Maintenance System	Tracks Revenue Agents Work Load and Cases		0	0	Revenue	Tax	

Ref #	Application Name	Description	Vendor Name	Maintenance FTEs - state Employee(s)	Maintenance FTEs - contractor(s)	Organizational Level 1	Organizational Level 2	Organizational Level 3
12	Accounts Receivable System	This invoice and payments system is utilized by DOH. The billings depend on data provided from other DOH sections ie logo signs, hauling permits, spec., salvage yards, gas and lube purchases, etc. Also manual input is required for damages/claims that require billing. Payments are made through the Treasure's Lockbox system. The data is later imported into the A/R system. DOT's reimbursables average between 35-40 million per year.		2	0	Transportation		
13	Activity 2002	Time Management & Leave Tracking Database		0	0	Military Affairs and Public Safety	State Fire Commission	Investigations
14	Activity 2003	Activity database for FSID Division		0	0	Military Affairs and Public Safety	State Fire Commission	Inspection / P&R
15	ACTS (Asbestos Removal)	Database application that tracks the submittal of notifications of Abatement, Demolition and Removal of Asbestos. Tracks asbestos inspections.		1	0	Environmental Protection	Information Technology Office	
16	Adjudication Information Managment System (AIMS)	First level employer/claimant appeals tracking system primarily targeted to workers compensation statewide issues		3	0	Revenue	Offices of Insurance Commissioner	Office of Judges
17	Administrative Decisions	Tracking Tool for Administrative Decisions		1	0	Revenue	Tax	
18	Adobe 8 Professional	Full Adobe program primarily used here for scanning of court case files		0.01	0	Revenue	Office of Tax Appeals	
19	ADOBE ACROBAT PROFESSIONAL	Document maker		0	0	Military Affairs and Public Safety	Veterans Affairs	Clarksburg Veterans Nursing Facility
20	Adobe Professional/Master Collection	Electronic document management		2	0	Education and the Arts	Rehabilitation Services	Division of Rehabilitation Services

Ref #	Application Name	Description	Vendor Name	Maintenance FTEs - state Employee(s)	Maintenance FTEs - contractor(s)	Organizational Level 1	Organizational Level 2	Organizational Level 3
21	Adopt-A-Highway	Two front ends (Access and Web) with ORACLE back end DB. Public submits applications to adopt a highway using one of the front ends and get approved by Countv/District/DEP staff.		1	0	Environmental Protection	Information Technology Office	
22	Advanced Shipment Notification	Allows supply chain staff to document expected deliveries and receipts when delivery is complete. App emails vendors.		5	0	Revenue	Alcohol Beverage Control Administration	
23	Agent Licensing	Licensing application for all insurance agent and agencies and collection/tracking of licensing fees.		2	0	Revenue	Offices of Insurance Commissioner	Executive
24	Agent Point of Sale Licensing System	An Internet-based, client-server application allowing retailers to sell hunting and fishing licenses.		1	0	Commerce	Division of Natural Resources	Wildlife
25	AGJOBS	This system is used to collect and report on revenue information for various fees, licenses and registration of products for the divisions within Agriculture.		1	0	Agriculture		
26	AirTrax	Intranet application used by the Division of Air Quality to track permits, facility inspections, violations and file room activity.		1	0	Environmental Protection	Information Technology Office	
27	ALADDIN	Monitor Re-therm units		0	0	Military Affairs and Public Safety	Veterans Affairs	Clarksburg Veterans Nursing Facility
28	ALERT	ALERT: Developed by FDIC/FRB/CSBS, this application is installed on substantially all depository institution examiner laptops. Alert is most widely used as a pre-exam loan analysis tool to determine an exam review scope, categorize and classify loans, print line sheets, and create an export file for inclusion in a Genesys file. While data generated by Alert is used by the entire depository institution examination staff, there are probably only 3-4 regular users of the application itself.	FDIC/CSBS	1	0	Revenue	Division of Banking	
29	Amnesty	Repository for Account Data During Amnesty Periods		1	0	Revenue	Tax	

Ref #	Application Name	Description	Vendor Name	Maintenance FTEs - state Employee(s)	Maintenance FTEs - contractor(s)	Organizational Level 1	Organizational Level 2	Organizational Level 3
